

24 January 1958

MEMORANDUM FOR: Foreign Documents Division, OO

ATTENTION: [REDACTED] 25X1A9a

THROUGH: Chief, Industrial Division, ORR

THROUGH: Chief, Intelligence Information Staff, ORR

FROM: Chief, Consumer Industries Branch

SUBJECT: I/CI Detailed Requirements for External Exploitation of Soviet Literature on Education

REFERENCE: (1) I/CI Guide Requirement for FDD dated 7 Jan 1958  
(2) Oral Request by [REDACTED] FDD for Detailed Requirements on Soviet Education, dated 22 Jan 1958 25X1A9a

1. The following requirements on Soviet education are designed to amplify paragraph 3g of reference (1) for the external exploitation of Soviet literature on education.

2. I/CI is concerned with estimating the magnitude of Soviet expenditures on operating and expanding the Soviet educational system. Information on educational expenditures contained in the annual USSR and individual republic budget and plan and plan fulfillment reports is generally available elsewhere and is not desired from external exploitation of Soviet literature.

3. Specific I/CI requirements for major statistical data on Soviet education are as follows:

a. Amount of expenditure in Soviet education through

(1) state social insurance budget appropriations for education

(2) educational expenditures by (a) industrial and economic organizations, (b) trade unions, (c) consumer and industrial cooperatives, and (d) collective farms

(3) tuition and fees paid by private individuals

~~CONFIDENTIAL~~

b. Construction of educational facilities

(1) cost of construction of new plant and equipment, including norms expressed as costs per building, per unit of floor space, or per student.

(2) depreciation rates on educational facilities

(3) amounts of educational facilities in use, including norms expressed as amounts per student or per building.

c. Cost of operating educational facilities

(1) total annual wage payments made by the educational system

(2) basic wage rates and wage premiums

(3) information on the extent of dual job-holding (sovnestiteli)

(4) amount of deductions from earnings of educational workers for social insurance

(5) expenditures on utilities (heat, power), office supplies, educational materials, fees, travel, food and other operating items, including norms expressed per student or per building

(6) payments of stipends to students

(7) payments for student part-time employment, and science-research (uchebny raskhody and nauchno - issledovatel'skiye)
